

RODENTICIDES – Table generated 17/03/03

Products are listed below their active ingredients (which are given a code number and are listed alphabetically). In addition details of the marketing company, who can use the product and the HSE registration number are provided. For products with two or more active ingredients, the entry is repeated for each active ingredient

Note: Symbols.

W – products are undergoing withdrawal and approval for sale & advertisement has expired. Product retain approvals for supply, storage and use for a short period – contact BPU for details of individual products (tel 0151 951 3535, biocides@hse.gsi.gov.uk)

D – approvals for advertisement, sale, supply, storage and use have expired. Product holds approval for disposal purposes only for a short period – contact BPU for details of individual products (tel 0151 951 3535, biocides@hse.gsi.gov.uk)
